### ABOUT ME

---

With ample experience in the E-commerce business. Highly equipped with programming skills and practice. Always able to adjust and adapt in different situations. A team player that prioritizes overall efficiency and accuracy.

### WORK EXPERIENCE

---

#### ● Video Editor (Passive Income Money Man YouTube Channel)

August 2021- March 2022

- Created well structured scripts for the videos.
- Compiled and edited all the desired clips for the videos with the use of Adobe Premiere Pro.
- Designed and created enticing thumbnails to help gain more views with the use of Adobe Photoshop.
- Responsible for creating 100+ videos that teach people how to use and invest their money wisely.

#### ● Video Editor (Passive Income Formula YouTube Channel)

August 2021- March 2022

- Developed and improved the channel's growth in a span of 8 months.
- Designed and created enticing thumbnails to help gain more views with the use of Adobe Photoshop.
- Noticed a drastic amount of viewer count as videos were published.

#### ● E-commerce Middleman

September 2017 - March 2018

- Assisted online transactions of electronic goods.
- Trusted by different individuals to officiate their transactions.
- High completion rate amongst other middlemen.
